## 2024 GRIST MILL SEASONS PASS

### Looking for a way to support the Grist Mill? Consider buying a Season Pass for our 2024 season!

An Individual Season Pass entitles one person to free general admission, free access to many of our informative presentations as well as discounts in our Gift Shop, Restaurant and for some special events. If you have a family, you may want to consider our Season Pass for Households.

Starting this year, we have a new kind of pass: a Community Ambassador pass, which you are allowed to share with anyone who comes to visit you.

In 2024, Season Pass holders will have free access to all our community events and family activities including our Fibre Arts Day, the Teddy Bear Picnic, the Gardener's Gathering, our Heritage Fall Fair and more.

Pass holders also get discounts on our special events, including our summer evening concerts, Sunday Dinner Series, for our workshops, in our restaurant as well as in our Gift Shop and Campground.

Please note that passes are non-transferable, valid only for the 2024 Season and may not be accepted for all special events; check our calendar of events or get in touch for specifics.
